# CEO

As the CEO of our esteemed company, it's my privilege to extend a warm welcome to you. At **Adka**, we are more than just a construction firm; we are a team of visionaries, innovators, and dedicated professionals committed to shaping a better tomorrow. Our journey is defined by excellence, integrity, and a relentless pursuit of perfection. Every project we undertake is a testament to our unwavering commitment to quality, safety, and sustainability. We pride ourselves on delivering not just buildings, but enduring legacies that stand as symbols of progress and prosperity.

At **Adka**, our success is built on the foundation of our people – talented individuals who bring passion, expertise, and a spirit of collaboration to every endeavour. Together, we harness the power of teamwork and innovation to overcome challenges and exceed expectations.

As we look to the future, our focus remains steadfast on creating value for our clients, fostering a culture of excellence, and making a positive impact on the communities we serve. I invite you to join us on this journey of growth, opportunity, and success.

Thank you for choosing **Adka General Contracting Co. LLC.**

**Mohammed Thasleem**

Founder - Adka General Contracting Company LLC

# INTRODUCTION

At **Adka**, we believe in turning visions into realities. We are a dynamic and forward-thinking construction company dedicated to delivering innovative solutions that shape the world around us. With a rich history of excellence spanning years, we have established ourselves as a trusted leader in the construction industry. From towering skyscrapers to intricate infrastructure projects, our portfolio showcases our unwavering commitment to quality, safety, and sustainability.

At the heart of our success is our team of skilled professionals, who bring expertise, creativity, and passion to every project we undertake. Together, we embrace challenges as opportunities for growth, leveraging our collective talents to exceed client expectations and set new standards of excellence. As we embark on this journey of growth and innovation, we remain guided by our core values of integrity, collaboration, and continuous improvement. We are dedicated to building lasting relationships with our clients, partners, and communities, and to making a positive impact that extends far beyond the completion of our projects.

Thank you for considering **Adka General Contracting Co. LLC**. We look forward to the opportunity to collaborate with you and bring your vision to life."

# HISTORY

Founded on a bedrock of excellence and propelled by a legacy of strong performance, **ADKA Trading & Contracting LLC** has emerged as a leading force in the construction industry. What began as a vision within the borders of Saudi Arabia has now expanded across borders, with a presence in three countries. Over the years, our unwavering commitment to quality, innovation, and customer satisfaction has fuelled our growth and positioned us as a trusted partner in delivering outstanding construction solutions.

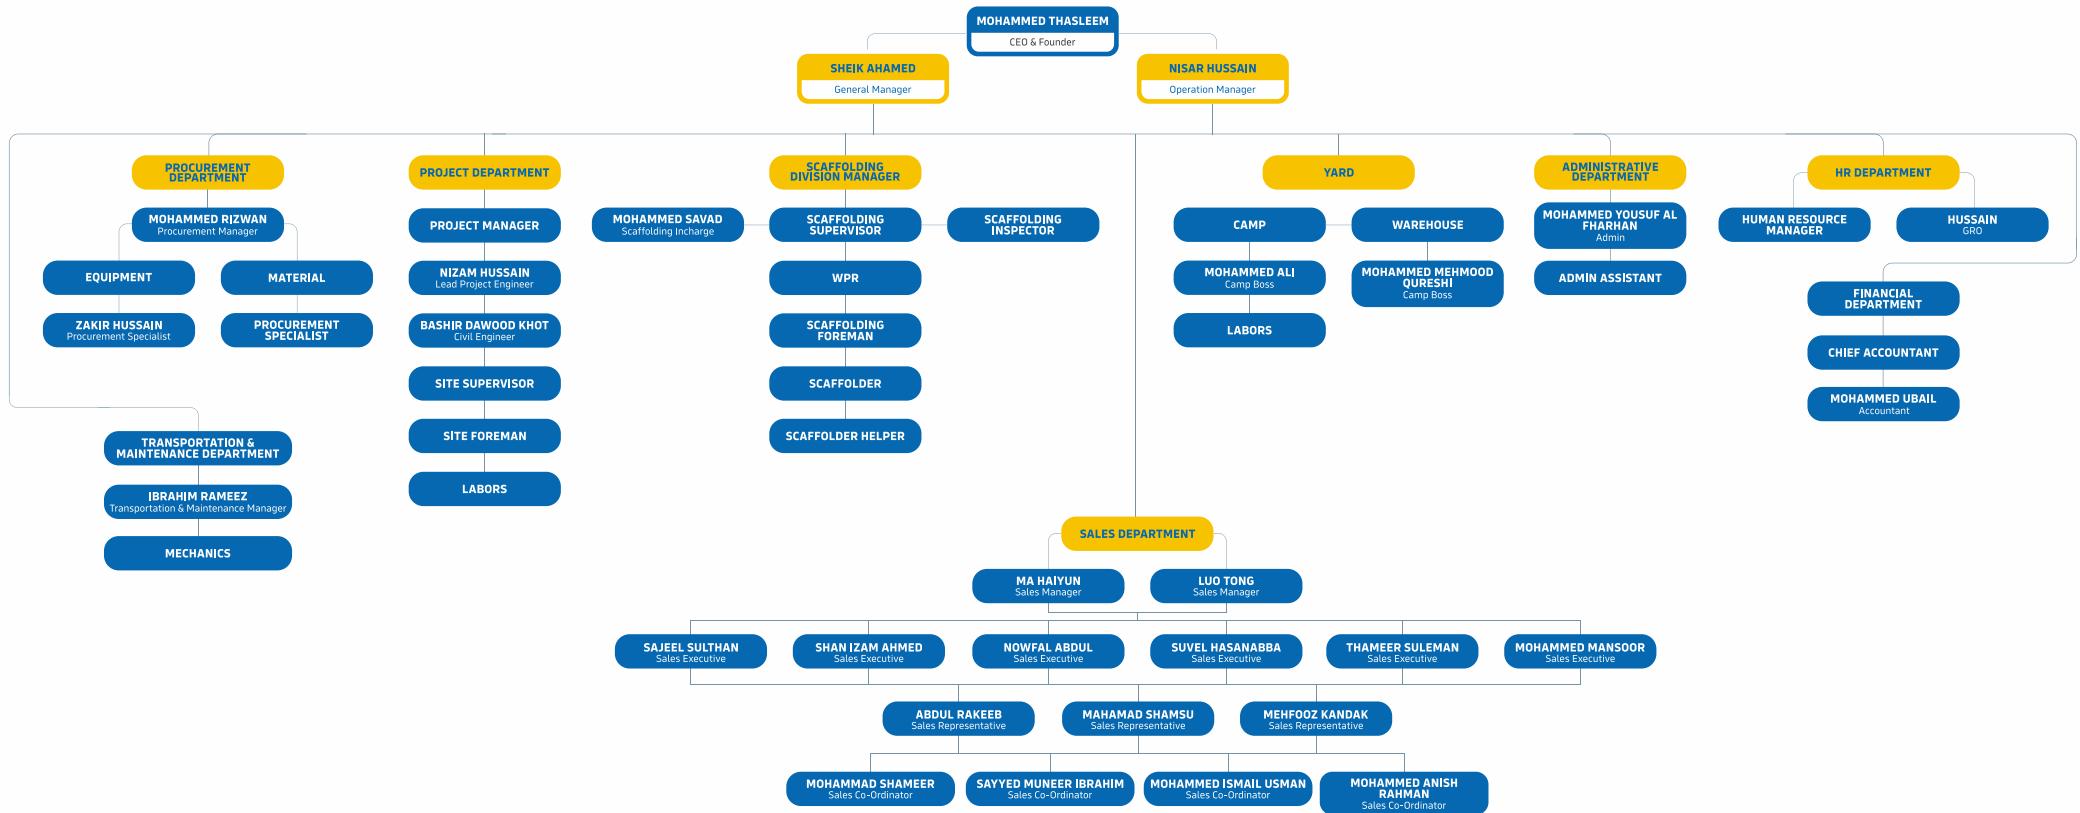

# OUR STRUCTURE

At the core of **ADKA Trading & Contracting LLC** lies a team of dedicated professionals driven by a passion for excellence. Our diverse workforce includes a team of skilled engineers and craftsmen hailing from India, Philippines, Pakistan, and Nepal, bringing a wealth of expertise and experience to every project. Equipped with state-of-the-art equipment and backed by a robust management team with strong financial support, we are well-prepared to execute projects with precision and efficiency.

Headquartered in the Eastern province of Saudi Arabia, with branches strategically located in Bahrain, India, and the UAE, **ADKA Trading & Contracting LLC** operates with a decentralized structure that allows us to adapt swiftly to the unique requirements of each market. Specializing in Civil, Mechanical, Electrical, and Instrumentation works in Power Plants, Petrochemicals, and Chemical Plants, we are committed to delivering the right product at the right time with a focus on maintaining minimum profitable margins. As we continue to expand our footprint and forge new partnerships, we remain steadfast in our mission to exceed expectations and set new standards of excellence in the construction industry.

## Execution

Transforming Plans into Action with Precision and Expertise.

05

## Closing

Concluding Projects with Finesse and Attention to Detail.

06

## Evaluation

Learning, Growing, and Improving Through Comprehensive Analysis.

General Contracting Company LLC

A photograph showing a construction site. In the foreground, there's a large metal steel frame grid on the ground, likely a formwork or reinforcement for a wall. In the background, several workers are visible. One worker is sitting near a white steel frame structure. Two other workers are walking away from the camera. There are also some tires and construction equipment in the background. The sky is clear and blue.
